INDUSTRIAL ENGINEER

CAREER OBJECTIVE

Dynamic professional with 4+ years of experience in operations, data-driven decision-making, and cross-functional leadership, seeking a managerial role where I can leverage my analytical mindset and people management skills to drive organizational growth.

PROFESSIONAL EXPERIENCE

Specialist, Customer Excellence | Bupa Arabia (CareConnect) | Jeddah, KSA | *June 2024 – Present*

- Designed and maintained 20+ NPS dashboards providing real-time visibility into customer satisfaction KPIs across departments.
- Distributed 150,000+ customer surveys; analyzed response data to identify pain points and improvement opportunities.
- Automated 8 operational reporting workflows, significantly reducing manual processing time and increasing data accuracy.
- Led 300+ Kaizen initiatives, translating analytical findings into measurable operational improvements.
- Implemented Closed-Loop Feedback (CLF) system achieving 80% issue closure rate within 48 hours.
- Prepared 50+ analytical reports and 12 executive-level presentations to support strategic decisions.
- Contributed to achieving an NPS score of 75 in the telemedicine division.

Senior Associate, Customer Excellence | Bupa Arabia | Jeddah, KSA | *Dec 2022 – May 2024*

- Built and maintained a database of 20,000+ customer responses used for trend analysis and reporting.
- Sent 120,000+ surveys and analyzed results to generate insights for departmental performance improvement.
- Designed 20 NPS dashboards delivering full departmental visibility into satisfaction metrics.

Supply Planning Engineer | Al-Wefag Trading & Manufacturing | Jeddah, KSA | *Sep 2022 – Dec 2022*

- Managed procurement data and supplier performance analytics for 15+ vendors with a budget of SAR 500K–2M.
- Monitored inventory KPIs to minimize stockouts and overstock across a 4-month planning cycle.

SIDE VENTURES

Business Development Manager | Unique Mark Social Media Marketing Agency | Jeddah, KSA | *May 2026 – Present*

- Conducting B2B outreach to identify and acquire new brand clients for a digital marketing agency.
- Built and managed a team of 4 Sales Coordinators, overseeing daily activities, target setting, and performance monitoring.

Freelance Multi-Industry Sales & Growth Advisor | Self-Employed

- Sold 300+ lawn mowers, 300+ CV writing services, and 500+ digital products — consistently exceeding sales targets.

E-commerce Store Owner | Salla Platform

Founded and managed an independent online store through Salla, a leading Saudi e-commerce platform.

EDUCATION

Bachelor of Industrial Engineering | King Abdulaziz University | Jeddah, KSA | *February 2022*

- Graduation Project: Risk Assessment for Manufacturing Facility — data-driven hazard identification & mitigation planning.

CERTIFICATIONS

- Certified Associate in Project Management (CAPM) Online Course
- Professional Accreditation — Saudi Council of Engineers
- Basic Statistical Process Control (SPC) — Bupa CareConnect
- Kaizen – Continuous Improvement — Bupa CareConnect
